Labor Negotiations Still A Secret

Wage negotiations between Placentia city employees and taxpayers were still not concluded Tuesday as members of the city council called a special executive session Monday night for an 11th hour private look at the packages.

Three employee groups, whose contracts expired October 1, are reported by staff to have completed their across the table talks. However, material regarding conclusions, which was to have been made public Thursday afternoon, was later reported not ready for perusal.

A late Friday announcement, next set up as the time for delivering the information to the public was also denied. At that time Mayor George De Jesus stated that he had withdrawn the information from the Tuesday night city council meeting backup material in favor of calling the special Monday night session.

The mayor also advised that the information would not be forthcoming following the Monday night meeting as Councilman Jack Gomez would not be in attendance. Also, he stated, he did not feel that the information should be released to the public before the council discussed it publicly at Tuesday night's city council meeting.

Efforts by the press to obtain information as to what employee groups are seeking from taxpayers have been denied through the two and a half months of talks. Employee groups have had the privilege of making their negotiations known but city staff has adamantly held that taxpayers will not know what is transpiring on their side of the table until the city council takes what is presumed to be a final look.

The behind closed door negotiations currently involve the majority of a reported 135 employees, excluding top staff who adjudicate through City Administrator Edwin Powell. The three groups allegedly having completed their discussions include the majority of city employees who are members of the Orange County Employees Association, (Placentia City Employees Association) which also services personnel of the Placentia Library.

Others involved are members of the Placentia Police Association and the Placentia Mid-Management group of city employees which also is organized. The demands of none of the groups has been brought to public attention although one report from city hall has confirmed that a new designation of three police captains has been discussed for the city of 30,000 population.

From the city's roughly $6.5 million budget, 135 employees now take home over $2.5 million of it or roughly 40 per cent of the entire budget.

Employees are paid on an accelerated scale that allows them to advance in pay to the top of five steps in only three years time in job classification. Employee groups recently have been securing a second cost of living raise through their negotiations. Talks also include other benefits, not known to the public until the final minute or the employee groups release information to taxpayers.

The upcoming contract is expected to be for three years.

Bo Donaldson, Heywoods Lead Heritage Parade

GRAND MARSHALS, Bo Donaldson and the Heywoods will lead Placentia's 12th annual Heritage Days Festival parade Saturday. Members of the popular singing-instrumental group include Bo Donaldson [top] and lead singers Rick Joswick and Mike Gibbons.

The 12th annual Heritage Days Festival parade, with something for everybody, will roll at 11 a.m. Saturday, October 6.

Leading the procession, will be Bo Donaldson and the Heywoods who have become internationally famous since they first led a Placentia parade three years ago.

Accompanying the well known singing-instrumental group will be about 20 band and drill teams, antique cars, a variety of novelties and equestrian units.

Also included will be floats, local and visiting dignitaries, pretty girls, Heritage's own vintage fire engine and clowns, and other cut-ups.

Theme for the parade this year is Placentia's Golden Years—1926-1976.

The procession will gather near Palm Drive and Valencia Avenue, marching west on Palm Drive to Yorba Linda Boulevard, west to Kraemer Boulevard. There it will turn south down Kraemer to Madison Avenue; then west to Bradford Avenue and south on Bradford.

Dispersal point will be near Kraemer Park at Chapman and Bradford Avenues.

Parade watchers who would like to observe the viewing and judging stand can see the action on Kraemer Boulevard just north of Madison Avenue. Parade trophies and awards, however, will be presented following the parade at Kraemer Park at 1:30 p.m.

Food and beverages will be

Public Information Crux Of Debate

A watered down version of a document that would make it legal for City Hall to charge the public $10 an hour for "research" on public information, was expected to go back again before City Council Tuesday night.

The second approach, entitled Access to Public Records, deletes the $10 an hour charge, but sets up a possible merry-go-round for any member of the public who may request information the taxpayer-paid staff does not have immediately available.

If the measure is approved by City Council members, the public will be required to put in writing any request to inspect public records and must "specify as fully as possible the nature of the records desired."

Staff will produce the public information "whenever possible," the policy continues. "In the event that information cannot be provided at the time of the request, the department head will provide an estimate of when the material will be available.

"The following factors are to be taken into consideration in determining when a request can be filled: the amount of staff time required to retrieve the material; the number of items requested; the form in which the public record data is stored and the form in which it is requested and the work load of the department."

In the continuation of the red tape,

Fire Stations Open House

The California Division of Forestry/Orange County Fire Department will again be participating in its annual observance of "Fire Prevention Week", with many of the County's Fire Stations extending an invitation to the public for Open House, Saturday, October 9th, according to Carl Downs, State Forest Ranger and County Fire Chief.

Of particular interest will be the displays at the County's Fire Stations in Placentia. These two stations are located at 1530 North Valencia, just above Yorba Linda Blvd. and 120 South Bradford Ave., just below Chapman Ave. Public hours will be from 9 a.m. to 4 p.m.

In addition Smokey the Bear will be visiting the stations throughout the day so be sure and bring the kids and your cameras, the stations advise.

Fire Prevention Week came about in 1922 as a result of the Great Chicago Fire and the nation's worst forest fire, the "Pestigo Fire", Green Bay, Wisconsin, October 8th, 1871.

These two fires, like so many others, Chief Downs points out, are the result of human carelessness and can be prevented. Tips on fire prevention, for homes and the wildland areas in Orange County will be available from your local fire department during Fire Prevention Week and on Open House, between the hours of 9 a.m. and 4 p.m.

On Saturday, October 9th, most of the stations will be demonstrating equipment, showing films, and distributing fire prevention material to the public. In addition information on smoke detectors will be available.

Attorney Takes Issue With RV Ordinance

Is the City of Placentia passing unconstitutional ordinances?

Perhaps so in the legal opinion of practicing Placentia attorney George Bean, who not only is a lawyer but a full-fledged engineer as well.

Bean, who recently spoke at an open hearing of the Placentia Planning Commission on the subject of restrictions being placed on the parking of recreational vehicles and other sports equipment on private property, came away singularly unimpressed.

"It is my opinion at this point that the entire hearing probably is illegal because of the manner in which it was conducted," Bean recalls, "in the refusal of the chairman (Mrs. Lee Van Gorden) to permit discussion on the legality of the ordinance as it was proposed.

"I don't known how many people were there but I would estimate at least 150, all of whom were against the ordinance. She (Mrs. Van Gorden) started out by saying that no one was going to be allowed to discuss the constitutionality of the ordinance.

"This was an open hearing and all problems associated with the ordinance should have been viewed.

"This meeting wasn't conducted according to Roberts Rules of Order which would be the normal procedure particularly when there was a discussion amongst the board members themselves.

"Even though all the people who spoke (from the audience) spoke against the ordinance, when the meeting was conducted among the members of the board itself, there were at least three or four of them who spoke against having this so called fencing arrangement to shield the vehicles.

"And yet the way the chairman conducted the meeting," Bean continued "she would have a motion from time to time but she didn't have a second to the motion and what she did" (Bean alleges) "she proceeded to coerce, literally, all of the

Dwellings By Tracks Receive Approval

With a proliferation of For Sale signs dotting the landscape at Placentia's new S&S (Shapell) homes adjacent to the Atchison, Topeka and Santa Fe rail road tracks near Chapman Avenue, the Placentia Planning Commission Tuesday night approved another development for habitation on the same mainline.

The most recent community, of approximately nine and a half acres, would hold 24 buildings structured on 22 lots.

The new development, approved on a split vote with Acting Planning Commission Chairman Dr. David Margolias and Planning Commissioner Chester Sowinski dissenting, would lie adjacent to the 57 Freeway, as well.

Among items brought out at the lengthy discussion on the proposal were:

Noise and vibrations from both the railroad and the freeway may be a problem.

Experts have no knowledge or information by which to judge or control the annoyance from vibrations.

A 16-foot-high-wall will be required around a part of the development.

Maintenance of landscaping on the freeway slope is tentatively proposed as guaranteed in perpetuity by the City of Placentia for the private development. This, however, it was reported, will be changed.

Windows in upstairs bedrooms, facing the railroad may be sealed as part of the noise control. These are scheduled to be double windows therefore making them unopenable in case of fire.

The development would provide four-plexes (107 units) of two and three bedroom dwellings and a recreational area. The property is located at Santa Fe Street and Placentia Avenue which would place the development with the freeway at the west side of the railroad to the south.

Staff reported that the closest unit would be 100 feet from the center of the railroad track.

Commissioners eyeing the plans expressed several concerns. Commissioner Mark Hepp inquired about the severity of the 16-foot-high wall and showed interest in the upstairs window problem.

"You could have a bedroom

City Staff Adds Conventions

Another trip out of town was reported this week for City Hall staff with the return of City Engineer, Director of Community Development, Ben Minamide from Las Vegas.

Minamide, accompanied by Mrs. Minamide attended the American Public Works Association annual congress and equipment show from Saturday through Thursday, held this year in the Nevada Fun City.

Other staff officials out of the city at the same time were City Administrator Edwin Powell, accompannied by Mrs. Powell, in Toronto, Canada, at the International City Management Association's annual conference. Also Police Chief Norman Traub was in Miami, Florida, at the International Association of Chief of Police's annual conference.

All the junkets, excluding wives expenses, are paid for by local taxpayers.

Public's Right To Ask— Where Are Answers?

Copy to Placentia Courier
Placentia City Council:

The City of Placentia Budget for Fiscal Year 1976/77 was presented to the City Council in preliminary form dated May 13, 1976. Subsequently, a condensed version dated May 20, 1976 was made available to the public.

Even this abridged form posed some rather major questions. For example, budgeted salaries in some divisions showed little increase while salaries in other divisions showed increases up to 42% over budgeted salaries in the 1975/76 Fiscal Year. No change in the number of personnel or change in job titles appeared in these divisions. General pay raises authorized in the past year and step increases within the salary schedule could not account for this increase.

Further clouding the issue this year is a change in the format of the budget. For the first time, at least in many years, budgeted salaries for the City Administrator and Department heads are not separately identified. Instead, these budgeted salaries are lumped into totals by division.

Early in June, we asked for the actual job titles and salaries upon which the 1976/77 budget was prepared. This request has been repeated on many occasions at both the staff level and to individual members of the City Council. Without going into the various excuses we have been given, the simple fact is that we still do not have this information. The current excuse is that this information is not available in a form that can be shown to the general public. Incredible! Since our first request, you have held public hearings, approved the budget, and set the tax rate for the current Fiscal Year. We are now three months into the Fiscal Year and still we are not permitted to see the data upon which more than a third of the total budget is based. (We have not asked to see the other two thirds).

The proposed policy on "Research Reimbursement" that appeared so innocently and so late on your agenda September 21 was, in our opinion, simply another bald attempt to tell the public that what goes on at City Hall is really none of their concern. If a citizen persists in trying to find out about "an aspect of the City operations" that the Counctil or Staff is not eager to reveal, this policy would have made it possible to charge him "through the nose" in a further attempt to discourage him. Whether this proposed policy was initiated by the Council or by the Staff is intriguing. The fact that the Council did not approve it is encouraging. The fact that it was sent back for rewording is disturbing. Let's hope it gets a prompt and permanent burial.

Very recently, another document has become available to the public—it showed up in the Public Library. This document; "City of Placentia Annual Report 1975-1976" (undated) also generates more questions than answers.

First, we can ask how many full time employees the City really has in 1976/77? In the 1976/77 Budget, The City Administrator says 135 but only 143 are enumerated by job title in the body of the budget. The Annual Report says either 138 (by ethnic distribution) or 140 (distribution by sex) effective August 1976. If there were any authorized positions vacant during August, the total may be even higher now. Does this mean that, aside from not knowing salaries, we may not even know how many City employees we have?

Comparing the expenditures for Fiscal Year 1975/76 as reported in the 1976/77 Budget document with those reported in the 1975/76 Annual Report reveals more discrepancies.

Many items cannot be directly compared because the city continues its practice of reporting expenditures in categories other than where they were budgeted. Thus the Annual Report does not follow the format of either the 1975/76 or the 1976/77 Budget. However, we can ask some questions. For example:

Did we spend $48,600 or $66,579 for the City Attorney's office? Did we spend $424,380 or $50,200 for sewer and storm drain construction? Did we spend $5,237,865 or $4,753,162 from all funds?

Which numbers are correct? Is either set of numbers correct? Do you know? Does anyone really know?

All of these numbers appear in documents signed by Edwn T. Powell, City Administrator. Maybe he knows. If not, maybe he could find out. Maybe he will tell you. Maybe, if you find the answers, you'll tell the public. Maybe.

Different Fire Story

Letters to the Editor
The Placentia Courier

Dear Editor:

The article written September 15, pertaining to the forest fire at Camp Buckhorn near Idyllwild, is an excellent example of over exaggeration.

Even though I was not an eyewitness to the fire, having to leave the USC band camp early because of illness, a sufficient number of eyewitnesses encouraged me to respond to the article.

Those people mentioned in the article who were given credit for having put out the fire and having prevented its spread was correct. However, there were other members not mentioned who were just as prompt in helping.

The fire department was not "up all night and into the next day controlling the blaze." Rather the "blaze" consisted of parts of a tree that were on fire. By the time the fire department arrived, the fire was contained and their reason for remaining the night was to make sure it wouldn't start up again.

Also the report is not clear as to what were the extremes of the evacuation of the members involved. They were not told to evacuate from the camp, but rather from the smoke area to avoid smoke inhalation.

Sincerely,
Teri Chapman

Heritage Events

Placentia's 12th annual Heritage Days Festival celebration is opening this year with the Saturday parade.

Also scheduled Saturday are Open Houses at both of the city's Fire Stations (Valencia Avenue and Yorba Linda Boulevard and Bradford and Chapman Avenues) where there will be special interest activities.

Sunday will include special Heritage Days services at most of the local churches and Sunday night at 7:30 p.m. the Ministerial Association of Placentia will present a musical titled "I Love America."

Participants will include vocalists and musicians from many churches and the Placentia Unified School District. The musical will be presented at Valencia High School Auditorium.

Monday will begin the rest-of-the-month showing of memorabilia from local historian George Key, gathered at the Placentia Library. Key himself will be in attendance on Wednesday, October 13 at the display from 3 p.m. to 5 p.m. Hours overall are 10 a.m. to 9 p.m.

Also on Monday, October 11 will be the second annual Co-Ed Volleyball Tournament at 7 p.m., El Dorado High School Gymnasium. At 6 p.m. at McFadden Field will be the Adult Mens Slo-Pitch Softball Game. Other games will continue at 7:30 p.m. and 9 p.m.

On Wednesday, October 13, will be the second annual Three-Man Basketball Tournament at 6:30 p.m. in the Tynes Gymnasium. Adult Men's Fast-Pitch Softball games are scheduled at 6 p.m. at McFadden Field with other contests at 7:30 and 9 p.m.

Thursday, October 14, will bring in the big carnival rides....the first time in Placentia in several years. The carnival will be set up at the corner of Kraemer and Yorba Linda Boulevards. It will operate Thursday from 4 p.m. to 10 p.m.; Friday, 4 p.m. to 11 p.m.; Saturday, 10 a.m. to 11 p.m. and Sunday from 12 noon to 10 p.m.

Also featured at the carnival will be locally operated game and food booths and special entertainment and feature attractions, Walt Pinney, coordinator reports.

Esther Kraemer Dies

A Mass of Christian Burial was held Friday night at St. Josephs Catholic Church, Placentia, for long time Orange County resident Esther Kraemer, who died at 80 in Placentia Linda Community Hospital last week.

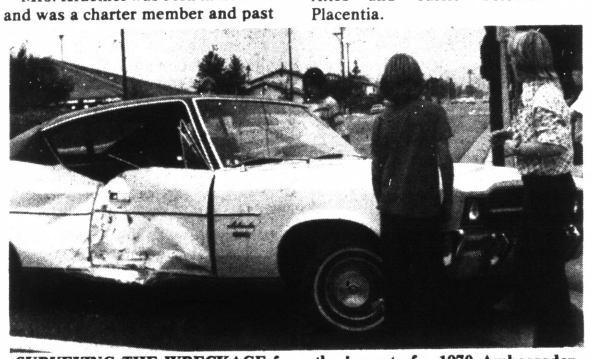
Mrs. Kraemer, who made her home in Placentia, was well known here and is survived by two sons, a daughter, 20 grandchildren and six great grandchildren.

Graveside services for Mrs. Kraemer were conducted at 10 a.m. Saturday at Holy Sepulcher Cemetery in Orange.

Mrs. Kraemer was born in El Toro and was a charter member and past president of the Fullerton Assistance League. Other activities included membership in the Young Ladies Institute, Native Daughters of the Golden West, and the American Red Cross.

She also was a corporation adviser and consultant for the Upper K Ranch Corporation.

Mrs. Kraemer's survivors include her two sons, Gilbert of Placentia and Daniel of Corona; daughter Beverly Brennan of Oceanside; two sisters, Nellie Mitchell and Marie Schildmeyer, both of Tustin; a son-in-law, Arthur Middleton of Los Altos and Carrie Coleman of Placentia.



SURVEYING THE WRECKAGE from the impact of a 1970 Ambassador with a 1961 Ford Falcon are the unidentified people above. The Ambassador [in the picutre] failed to clear the intersection of Palm Drive and Valencia Avenue and was struck in the side by the oncoming westbound Ford. The driver of the car above was a 16-year-old girl from Yorba Linda. The driver is expected to be cited for failure to yield the right of way, but the accident is still under investigation.

WOUNDED FALCON—Teri Bricher was the driver of the other automobile which suffered in the Tuesday collision. No one was hurt but both cars had to be towed away. Don Brown of the Placentia Police Department makes his report here.

Letters To The Editor

About That $10 Fee

Editor,
Placentia Courier:

Recently a disturbing policy has been discussed at City Council meetings. Not only is it disturbing but may even be illegal. The proposal is that citizens be charged at the rate of $10 an hour for information not readily available from City Hall.

This is clearly a case of discrimination. Who, but the rich, will be able to afford $10 an hour to obtain information? Having paid $1 per copy and sometimes waiting days for information last year I speak from experience.

We realize that interruptions in the daily business routine are frustrating, even annoying, but I think it is sometimes forgotten in City Hall that it is "our" money that is being spent. Therefore we deserve more consideration and certainly not a penalty when, in effect, we make inquiries as to how the money is being spent.

If City Hall is being burdened by an abnormal demand for information then it appears a substantial number of citizens are dissatisfied with the Administration.

The aforesaid policy should be dropped immediately in the interests of democracy and under the guidelines of the Brown Act.

Sincerely,
Anne Martin,
Placentia

Public's Right To Know

[Continued from Page 1]

the decision of a department head, it is outlined, may be appealed to the City Administrator. That action, if unsatifactory may be appealed to the City Council.

The proposal, however, fails to place any kind of time limitation on how long such a procedure might take and offers no guarantee that the measure might not be used to completely withhold information from the public, including the press.

If city council, for some reason, found it advantageous to deny information to the public, such as in the current labor negotiations, having adopted this policy, it could conveniently do so. In that instance, the public's only recourse could be the expense of going to court to obtain access to its own public information.

Neither of the suggested proposals has indicated an over-abundance of requests for public information. City Council members at past meetings have occasionally flayed the public for its lack of interestin public proceedings and its general "apathy".

No other specific reason is forwarded in the documents as to why a policy is needed governing "the public's right to know."

Specified in the proposed document is that access to public records denied to the public by state law, shall be barred. However, no specific information is included in the paper as to the circumstances that would prevail when confidential and nonconfidential information are intermingled.

Also, no provisions are included giving the press the right to verify documents or information other than that provided by staff.

Democrats, Republicans Close In City

With national elections approaching only 976 votes separate the Republicans from the Democrats in Placentia in the latest voter registration statistics released this week.

The tally was issued by Secretary of State March Eu Fong in a report dated May, 1976.

The figures for Placentia show 5,860 registered Democrats; 6,836 Republicans; 35 American Independents; 8 Peace and Freedom; 26 miscellaneous and 775 declined to state for a total of 13,540 registered voters.

Negotiations Still Secret

[Continued from Page 1]

Taxpayers are represented in negotiations by public-paid employees who have inadvertently gained monetarily in their paychecks from any upward spiral in the conclusions.

Employees use professional negotiators in some instances in their discussions.

The city council was expected to open the door on what negotiations have accomplished on Tuesday night. Information up to that time, however, has been adamantly refused.

Attorney Disagrees With City

members of the board into voting for something they had expressly said they were not voting for."

Bean, who at one time was the chief mechanical enginner for the city of Minneapolis in building inspections, has served as director of the air pollution control district for San Bernardo County.

He and his family have lived in Placentia for 11 years and until June of this year Bean was the executive officer for the Office of Emergency Services for Orange County, a post he held for four years.

Bean says he has no political aspirations, "but I tell you when I see what's going on in the City of Placentia with planning commissions like that one, I think it is time that something ought to be done."

Bean's first objection to the special recreational vehicle ordinance session was that Mrs. Van Gorden read two letters supposedly in favor of the ordinance. "The only problem is that both of them were talking about off street parking and were not relative to the ordinance at all!"

On constitutional issues concerning the controversial ordinance proposed, which was approved by a 6-0 vote by commissioners and now advances to the Placentia City Council, Bean points out:

"There are some things about the ordinance which definitely brings out constitutional issues as to whether the ordinance is constitutional at all. The first thing is that by the testimony of the planning committee staff, it was the intent of the staff not to enforce the ordinance equally, but it was only to be enforced on an 'as called or as complained' type basis.

"Secondly it had a section in it which permitted the head of the planning staff or the head of the building department to set up the standards for whatever parking areas there were. This permits an arbitrary method of enforcement which is totally unconstitutional.

"Third, ordinances are supposed to be complete in and of themselves." Other arrangements in this regard, Bean pointed out "cause the thing to be uncontitutional because of vagueness and discriminatory type of enforcement."

"The way they have done it is that they have denied motor vehicles the right to park in their own driveways under certain circumstances or alongside the dwelling.

"In my estimation the conduct of the meeting and the conduct of the planning commission was literaly a total disregard for the people who were present at the hearing. They didn't pay attention, by and large, or consider the problems that the individuals brought out."

Bean pointed out that "the city fathers in their questionable wisdom, when planning this city...completely eliminated alleys. As a result the only access to property happens to be from the front or on the sideyard.

"Now you have a planning commission come along....and proceed to deny people the use of their property for what is presently a current trend in the use of recreational vehicles and is going to increase over the years. It is a disregard for the rights of people to use their property in a peaceful manner.

"I think it is an outrageous thing. The city also hasn't provided any parking areas if they want them (recreational vehicles) off the street," Bean, who does not own one, adds.

Bean points out that although the ordinance is supposedly designed to maintain property values, the villains, the recreational vehicles, actually are portable and are not stationary objects in the neighborhood.

But not so the fences now required to shield them from public view. These fences, which can be corrugated sheet metal or corrugated plastic, are stationary. Bean points out and there are no provisions for gates. "Which literally means that the person is going to be totally denied the use of it (the recreational vehicle.)"

The stationary fences, Bean contends, will be the degradation of the neighborhoods.

"Instead of restricting (recreational vehicles), the city should recognize that people should have a right to use their property without harassment.

"I'm going to start paying more attention to what's going on in this city," Bean concludes. "I see this sort of thing going on and it begins to make me very angry. Now that I'm in practice here I'm going to make it my business to see what's going on."

Pack 706 High Award

The highest award in Cub Scouting, the Arrow of Light, was presented to Ken Forsythe to highlight the regular meeting of Cub Scout Pack 706, held at the Van Buren School.

The Arrow of Light is the only award which a boy may take with him to the Boy Scout program. Ken, Mike Spears and David Cruz all were presented with certificates of graduation to Boy Scouts at the meeting.

Forsythe accepted and, in turn, presented to his mother a "Brag Rag" to wear in his honor. He also received a scout grooming kit by his Den Leader, Ron Sonye who is also assistant cubmaster.

Ken's parents were presented with certificates of appreciation for their services to Pack 706. Cubmaster Ron Ross and Sonye presided at the meeting which was opened by Den 2, the Webelos.

The latter group also provided entertainment in the form of a skit pertaining to World War II. Participating were Ken Forsythe, Steven Anderson, Mike Spears, Joe Kamenski, David Cruz and Curt Moore.

New members introduced were Jay Van Gorden and David Nelson who will be in Den 1 and James Stoneking who will be in Den 2.

Mike Spears received his three year pin and his mother a certificate of appreciation. David Cruz also received a three year pin.

New pack committee members introduced included Mr. and Mrs. Darrell Stoneking, Carl Van Gorden and Mrs. Adona Hermosello.

The meeting was concluded by Den 1 with the formation of the Living Circle.

Juniors Pick Winners

The Junior Round Table of Placentia announces its winners of the Fire Hydrant Painting Contest for the months of August and September.

For Representational: Pat Hagedorn and Sally Pastor for their Clown located at Roanoke and Williamette, and Rae Ann Wirth for her Betsy Ross on Santee River and Hudson.

In the Non-representational field, winners included were: Matthew Rogers, corner of Susquehanna and Brookhaven Avenue, and Judy Wood, Geeting Place. They were both in the red, white, and blue motifs.

The contest will run until December and residents are encouraged to paint some of the remaining hydrants.

Applications will be available at the Bank of America (Yorba Linda Blvd. and Kraemer), City Hall and The Water Company (130 N. Bradford). For further information concerning the contest contact Barbara Reed at 993-2168.

House Sales To Top Bidder?

CORONA,--Governmental policies that slow or stop residential construction will further drive up homeowners' property taxes, which already have reached almost intolerable levels because of inflation.

That prediction was made here last week by James C. Cashman, president of both Corona Land Co. and the Riverside-San Bernardino Chapter of the Building Industry Association and a member of the Sensible Growth Committee of the National Association of Homebuilders.

"It's a matter of basic economics," Cashman said. "When you restrict the supply, public demand drives up the price. The new home lotteries being conducted in neighboring Orange County--because there may be as many as 10 times more buyers than homes--are just the beginning. It could get to the point of auctioning off homes to the highest bidders.

"With all this happening to new homes, the assessed valuation of older homes will be driven up even more than it already has been by inflation. This means that property taxes will rise even higher. Already, many people -- especially those on fixed incomes in older homes -- are complaining that they no longer can shoulder their inflated tax burdens. Moratoriums and excessive limited-growth policies will make the situation even more painful for these people," Cashman stated.

NURSES'S WHITES must be dazzling as will be Miss Kim Butrum, Placentia in her uniform at the University Medical Center at Loma Linda where she has been accepted with Scholarships. Here she packs her lab coat and stethescope.

Kim Butrum Accepted At Loma Linda

Miss Kim Butrum, who graduated from El Dorado High School in 1973, has been accepted to enter the University Medical Center at Loma Linda.

The pretty blonde has been attending Chapman College, Orange, where she was admitted with honors and has continued on the Dean's Honor List.

Miss Butrum, who is 20, also spent a semester on the Chapman's World Campus Afloat program, studying in 13 countries from the ship.

She has been awarded a scholarship from the Fullerton Community Hospital Auxiliary and also has received a Disney Foundation Scholarship.

Miss Butrum has been working as a nursing attendant at Brea Community Hospital and as a ticket taker at Disneyland for the past two years.

Volunteers, Furnishings Needed

Volunteers are needed to work at Canyon General Hospital in the psychiatric unit, Joan Le Grand, Placentia, reports this week.

Also needed are lamps, pictures and end tables for the facilites, Mrs. Le Grand explains.

Further information is available at 524-1271.

BROAD SCOPE

The National Federation of State High School Associations determines the procedures of more than 20,000 schools.

Lawmakers to Meet GOP Gals

California Legislators Day will be the theme of the Placentia-Yorba Linda Federated Republican Women's meeting to be held Wednesday, October 13 at 10 a.m. in Republican Headquarters located at 1866 N. Placentia Avenue (Pantry Shopping Center).

Speakers will be Assemblyman John Briggs, candidate for California State Senate and Assemblyman Bruce Nestande of the 70th Assembly District. Refreshments will be served.

The Republican Headquarters has installed a phone bank which represents 90% of the work to be done in this office. This is the first time there has been an installation of this size in the area and it serves all of North Orange County.

Volunteers are needed to staff the phones from 10 a.m. to 8 p.m., seven days a week from now to election day.

Citizens in the area, students to senior citizens, are encouraged to call 996-6111 for information or come in and sign up to work at the Republican Headquarters.

El Dorado College Night Planned

Juniors and seniors and their parents at El Dorado High School in Placentia are invited to the annual College Night at 7:30 p.m. Tuesday, Oct. 12, in the campus Lecture Hall, 1651 N. Valencia Ave.

School counselors and representatives from California State University, Fullerton; the University of California at Irvine; and Fullerton and Cypress colleges will be on hand to answer questions.

Additional information may be obtained by calling the El Dorado counseling office at 524-9812.

Our next General Meeting and Potluck will be October 12, at 12:30 p.m. at the United Methodist Church and we once again express our appreciation to this church for allowing us to use their facilities.

Our program will be given by Stan Weintraub, an officer of the Orange County Consumer Affairs. This should be most interesting as it covers faulty and misleading advertising; unfulfilled services on merchandise purchased; unfair business practices; etc.

The Arts and Crafts classes have started again after vacation and they are making many beautiful gifts for Christmas and other occasions. Call Genne Mason 993-4119.

We will be taking part in the Fiesta Day Parade on October 30 with an Old-Timers Open House in the Library at 12:30 p.m. Come and join us.

Don't forget next month's Thanksgiving Dinner when we will be serving a marvelous turkey dinner. Topsy Page is preparing the turkeys with her secret dressing which is out of this world. How she makes this dressing we'll never tell!

When you shorten a little girl's new dress, take a tuck in the underside of the hem. As she grows taller, just pull the stitches out of the tuck and the original hem is already in place.

Need a good, stout hanger for a heavy garment? Tape three or four ordinary wire hangers together. Surprisingly strong!

Your rubber scraper will grease baking pans quickly. Use it to scoop up shortening, spread easily even in corners.

Lettuce stays fresh and green longer if you don't wash it until you need it. Then wash only what you're going to use, and return the rest to the refrigerator.

When cuff edges of jackets show slight wear, shorten the sleeves a fraction of an inch. Most men would look better in shorter sleeves anyway.

YOUR Pharmacist SPEAKS
By John Payne, Owner - Reg. Pharmacist
LINDA VISTA PHARMACY

How would you like to reduce your weight by a pound a week? One pound of fat tissue is the equivalent of 3500 calories. So, eat 500 calories per day less than you actually use, and you will lose a pound a week.

For men, an ordinary day with little exercise uses 2400 calories. At complete rest, only 1800 calories are used while a very active day may burn up 3500 calories or more. Women need only about 1500 calories, minimum, about 2100 for normal housekeeping chores and around 3000 for great activity. Figure how many calories you are using, then eat 500 less per day for that pound-a-week loss in weight.

Any way you figure it, we're the best source of prescription medications and all health care needs so you can depend on LINDA VISTA PHARMACY.

HANDY HINT: When painting a room, tie paper bags over light fixtures on which paint might drip, thus eliminating cleanup.

Merit Cigarette Sets New Taste Standard.

'Enriched Flavor'™ breakthrough brings unprecedented taste to low tar smoking.

Today there's a way to get real taste from a cigarette without high tar.

That's the report on a new taste discovery called 'Enriched Flavor.' *A way to pack flavor—extra flavor—into tobacco without the usual corresponding increase in tar.*

The cigarette packed with 'Enriched Flavor' tobacco is remarkable new MERIT.

If you smoke, you'll be interested.

Tests Verify Taste

In tests involving thousands of smokers of filter cigarettes, the majority reported MERIT delivered more taste than five current leading low tar cigarettes having all the way up to 60% more tar.

Repeat: delivered more taste.

In similar tests against 11 mg. to 15 mg. menthol brands, MERIT MENTHOL was reported to deliver as much—*or more*—taste than the higher tar brands tested.

You've been smoking "low tar, good taste" claims long enough.

Now smoke the cigarette. MERIT.

Unprecedented flavor at 9 mg. tar.

One of the lowest tar levels in smoking today.

HEMMED IN - Troy high runner Eugene King attempts to outsprint Anaheim defenders. Teammate Dan Forsyth in right background is too far away to lend assistance with a block. Troy lost Freeway League opener 18-7 to Colonists.

Troy Falls to Anaheim

BY SCOTT EMBLIDGE

Troy High School drew a tough opponent in its opening Freeway League game when they came up against the Anaheim Colonists and it proved to be too difficult a task with the Warriors dropping an 18-7 decision.

Troy struck first when Ton Bushala took the opening kickoff 47 yards down to the Anaheim 42. The warriors then took the ball down to the 12 yard line behind the running of Albert and Tony Bushala. From there Albert took the ball into the end zone behind excellent blocking.

After an exchange of punts, Anaheim had the ball in good field position and capitalized on the opportunity by engineering an eight-play scoring drive with Joel Ramirez scoring on his fourth run of the drive. Ramirez was the main force behind Anaheim's offense with the 5'7", 167 pound senior carrying 14 times for 98 yards.

Anaheim came out hot in the second half putting together a 62 yard drive capped off by a four yard run by Ramirez. Anaheim went ahead 14-7 when the extra point was good. However, when Troy was penalized on the kick, Anaheim decided to go for a two point conversion.

Quarterback Stan Pimental kept the ball and ran around end for the conversion to make the score 15-7 in the Colonist's favor.

Troy came right back with good running by the Bushala brothers again and a big play by Richard Bridgeford when he threw over the middle to Danny Worthington for a 37 yard gain.

Troy moved the ball down to the seven yard line and was faced with a third down and goal to go. Bridgeford pitched to Bushala and Albert lofted a pass into the end zone which Kolby Gibson caught.

The touchdown was brought back though on an illegal motion penalty and the subsequent touchdown try and field goal attempt both failed.

This seemed to demoralize Troy's offense and when the Warriors got the ball back on an Anaheim punt to give Troy good field position, a clipping penalty was called to further hinder the Warriors.

Anaheim went on to drive down to the 19 yard line where Dana Herrera kicked a field goal to put the game on ice.

Troy travels to Buena Park this Friday evening and hopes to even its record.

Boosters Hold Paper Drive

Members of the El Dorado High School Wrestlers Boosters Club will conduct a paper drive Saturday, October 9 from 9 a.m. to 3 p.m. in the El Dorado parking lot.

The Boosters Club is attempting to raise funds toward the club's annual scholarships, which are awarded each year to deserving seniors during Awards Night ceremonies.

Hawks Win Counts

BY BRIAN HILDERBRAND

A much improved El Dorado football team took to the field against Brea Saturday night, and produced a 33-0 victory over the Wildcats.

Tailback Ronn Bose rushed for two touchdowns of 50 and 25 yards in the Hawks' Orange League debut. It was their first win of the 1976 campaign.

El Dorado's defense was so tough, that it not only held Brea scoreless, but never allowed the Wildcats past the Hawks' 36 yard line. On the one occasion when they did get to the 36, ED's Rick Hayes intercepted a Cal Haney pass.

The Hawks got on the scoreboard after Brea was forced to punt. ED took the ball at their own 40 yard line. Two plays later, quarterback Brian David dashed 56 yards down the right sideline for the touchdown. Frank Weber's PAT failed, but the Hawks held a 6-0 lead, with 9:36 left in the initial quarter.

Bose scored his first touchdown with 1:45 to go in the first quarter by taking the ball at the mid-field stripe on a fourth down play and running down the left side into the end zone. Again, the PAT attempt was foiled on a bad snap, but the Hawks commanded a 12-0 margin.

Midway through the second period, El Dorado tried to tack up three points on a 32 yard field goal attempt by Weber. The snap was bad, and so was the kick, and Brea took over the ball at their own 20.

Three plays later, Mark Ashford of El Dorado intercepted a pass at the 45 and ran back to the Wildcats' seven yard line. On the second play of the series, Mark Pontious leaped over from the five for the score. The PAT by Weber was good, giving ED a 19-0 lead, with 5:32 to play in the first half.

The only scoring in the third period took place after the Hawks took the ball at the Wildcats' 43 yard line. 11 plays later, Bose popped through the middle for 25 yards and his second touchdown of the night. Weber's PAT kick was good, elevating the score to 26-0.

With scarcely a minute gone in the fourth quarter, junior Sean Olsen took the ball in 30 yards for the TD. The PAT was added, producing the 33-0 final.

"It always takes a while to get started," commented El Dorado coach Glen Hasting.

NEEDING A TARGET - El Dorado quarterback Brian David looks for a quick target as Brea men move in. Also pictured are guard Jeff Redman [73] and tackle Kirk Kohler [70].

Last year, Hastings' squad lost its first two games, then came back to win 11 games in a row, including the league championship, and finished CIF AA runners-up. The 1975 record was 11-3-0.

El Dorado travels to Kelly Field in Orange this Thursday night to meet Canyon. The Comanches lost their first league contest 14-6, and sport an overall record of 1-2.

Hastings is a little disenchanted with the game scheduled on a Thursday, which leaves them with only three days of practice.

"We're looking forward to a touch game with Canyon," Hastings stated, pointing out the short week of practice would be an important factor in the game. Canyon's first league contest was Friday night.

Aztec Boosters

The Esperanza Football Booster Club will meet on Tuesday, October 12, at 7:30 p.m. in the Teacher's Lounge at Esperanza High School.

Films of the Esperanza-Brea game will be shown and the coaches will be present to discuss the game and answer any questions.

Meetings are held every Tuesday during football season.

Valencia Youth Opens Football Season

Teams in the Valencia Youth Athletic Association will open their season Saturday in play at Bradford Stadium.

The Bob Cats will challenge the Cougars at 9 a.m.; the Rams against the Jaguars at 11 a.m. and the Tigers take on the Cheetahs at 1 p.m.

The association games this season are being played at the facilities at Valencia High School.

The VYAA Boosters Club will operate a taco booth at the Heritage Days Festival carnival Thursday through Sunday October 14 through October 17 at the site at Yorba Linda and Kraemer Boulevards.

This is the association's second year of football play.

Aztecs Hold That Tiger

BY BRIAN HILDERBRAND

Brad Goettsche rushed for 146 yards and three touchdowns, one a 90 yard kickoff return, to power the Esperanza Aztecs over Valencia, 33-13 in Orange League action Friday night.

Photo by Bob Caswell

SECOND EFFORT - Mino Rodriguez, [40 white] got turned around when tackled by Esperanza players but kept fighting for yardage in Valencia's 13-33 loss to Aztecs.

Despite the lopsided score, the Tigers were very much in the game.

Don Moreno led the ground attack for Valencia, gaining 93 yards. Moreno was very strong in the initial periods, often getting the Tigers well into Aztec territory, but Valencia suffered several penalties that halted many threats.

Esperanza scored their first touchdown with six minutes gone in the opening quarter. With 7:00 to play, Aztec QB Jim Teahan hit end Tom Sheffield with a pass that took the ball from the 45 to the two yard line. Two plays later, Don Stodola leaped over the pile for the score. Goettsche kicked the first of the three PAT's to put Esperanza out in front, 7-0.

With a third and 10 situation, ball at the Atecs' 20 yard line, Esperanza scored again on a freak play. Teahan ran around the left end on a keeper, when he was jolted by Valencia guard Andy Kelly, forcing a fumble. Goettsche recovered the loose ball at the 31 and ran 69 yards down the line for the score. Again, Goettsche kicked the PAT to give the Aztecs a 14-0 lead.

The Tigers came right back with a scoring play of their own to close the game up.

Moreno got the call from quarterback Mino Rodriguez and burst up the middle for 39 yards and six points. Rodriguez kicked the PAT to tighten the score 14-7.

The relentless Aztecs opened the game up on another scoring play at the end of the second quarter. Teahan hit Sheffield with another long pass that took the ball down to the one yard line.

On the next play, Teahan popped over the middle for the TD. The PAT failed, but Esperanza held a commanding 20-7 lead.

On the opening kickoff of the second half, Goettsche took the ball at his own 10 yard line and marched behind superb blocking to a touchdown. Teahan added the PAT to put the game out of reach.

The never-say-die attitude of Valencia showed in the third period. On a fourth down play, Rodriguez hit Tom Bennett with a two yard scoring pass, capping off a 71 yard drive. The PAT was missed, and the Tigers trailed by a 27-13 score.

Esperanza put the icing on the cake, scoring on the final play of the third quarter. Goettsche slipped several tackles and ran 48 yards to another touchdown. The PAT attempt was blocked, the score standing at 33-13.

Aztec coach Pete Yoder said that "We didn't play as well as we wanted to," spotting flaws in the offense that was penalized 40 yards.

Esperanza remains the only undefeated team in Orange League with an unblemished 3-0 record.

IN THE TRENCHES - Coaches and purist fan tell you that football games are won when the offensive line blocks well or the defensive line makes penetration. The bruising battle on each play is demonstrated as Troy [black jerseys] clash with Anaheim. The latter prevailed 18-7.

DASHING DON - Esperanza running back Don Stadola eludes the clutches of a Valencia tackler as he reels off a large gain in Aztecs 33-13 Orange League opening win.

TEE UP with Burt Brooks

DON LLOYD defended his Yorba Linda Country Club Junior Golf championship with consistent games of 75-78-153, topping TONY PIRAINO who scored 156 for the 36 holes of play. PAUL ANDERSON was third with 159 in this 15 to 17 year bracket.

In the 12 to 14 age group, RICHARD PARIS scored 173 to win the event while MARK FOWLER was second with 179 and RUSS ROACH took third with 184.

Two 9 hole rounds were played by the youngsters, 11 years of age and less, and after the two weeks of play DOUG CRAITE won with 106. MIKE DEL DUCA was second with 115 and KEVIN CRAITE was third with 143.

LAMAR SAUNDERS, the head of a golfing family, and who resides with his family alongside the driving range and parking lot at Yorba Linda Country Club, teamed with B. LIMBOCKER of Las Vegas to win the Member-Guest tournament with 88 par points.

Other winners were; WRIGLEY-OWENS 85; HAWS-HAWS 85; BREWER-MODIE 83; J. BOSLEY-PORZIA 81; CALLAGHAN-HARRIS 81; WHIE-KRUSS 80 and JOHNSON-KLAUS 79.

PAT WERNER won closest to the hole on the 3 par 8th hole with a shot which came to rest 2 feet 10 inches from the hole on Friday and BOB DIXON won the event on Saturday during the final round with his shot coming to rest 4 feet 1½ inches from the cup.

DEL JENSEN had the misfortune to score a hole in one on the 17th hole at Y.L. CC on Men's guest day, which meant extra golfers on hand for the hand out in the club house. I still think others should buy him a drink instead of standing there with their tongues hanging out like a tired hound who had just chased a rabbit over a 6 mile course without success.

Daniel Schorr On Stage Here

CBS newsman Daniel Schorr, who resigned from his television job last week will open Fullerton College's 1976-77 Artist-Lecture Series.

The 60-year-old electronic reporter will speak at 8 p.m. Saturday, October 23, in the Titan Theatre, 2500 E. Nutwood Ave., Fullerton, on "The Public's Right To Know".

He is also expected to tell about the lengthy investigation by the House Ethics Committee and its attempts to punish him for refusing to hand over his copy of a secret intelligence report or to say where he got it.

Originally slated to get under way Oct. 8 at Plummer Auditorium, the Series opener change came about suddenly when Emmy award-winning David Frost informed Fullerton College officials that an overseas commitment made it necessary to cancel his Orange County speaking engagement.

Schorr, acclaimed as a national and foreign affairs expert, was suspended by CBS News some seven months ago when the House Ethics Committee began a $150,000 investigation into how and from whom he obtained an intelligence report on illicit CIA and FBI activities. He has since resigned his network position.

The veteran newsman gave a copy of the Pike committee report to the Village Voice, a New York weekly newspaper, which published the text in two installments.

The committee this past week voted 9 to 1 to lift subpoenas against Schorr and three others with a stipulation that no ruling be made nor precedent set on a constitutional question.

"The most significant thing is that the committee has decided not to press for a contempt citation against a reporter who has exercised his First Amendment privilege and honored his professional obligation to protect his confidential source," said Schorr, following the committe's decision.

Earlier, Schorr had told committee members "to betray a confidential source would mean to dry up many future sources for many future reporters...The ultimate losers would be the American people and their free institutions."

Schorr was CBS' News Bureau chief in Germany and Eastern Europe for many years, as well as serving for three years as bureau chief in Moscow. Prior to starting a long-time association with CBS, he was a correspondent for the New York Times, the Christian Science Monitor and the London Daily Mail.

Individual appearance tickets are priced at $3.50 for adults and $2 for students and senior citizens. Reserved season tickets are $17.50 for adults and $10 for students/senior citizens. Both may be obtained by sending checks or money orders made payable to Fullerton College Artist-Lecture Series, 321 E. Chapman Ave., Fullerton 92634.

SOMETHING DIFFERENT - Co-chairwomen Lollie Rodgers and Eloise Mynatt part the curtains to introduce "It's Showtime" the unique fashion show, entertainment and dance to be presented by the Welcome Wagon.

Welcome Wagon 'Show Time'

"Its Show Time" will spring into action Saturday, November 6 at the Bullocks La Habra Store as members of the Placentia-Yorba Linda Welcome Wagon sponsor a first in Fashion Shows.

Guided by a desire to come up with something new and different in the way of a fashion show Eloise Mynatt and Lollie Rodgers have combined their imaginative talents and put together a winning evening of fund raising and entertainment.

"Bullocks liked our ideas and the more we talked our enthusiam began to mount," said Mrs. Mynatt, "until they were offering the extras.

"Our idea was to use a Broadway Show theme with our members and husbands modeling. Bullocks suggested the Discotheque dancing after the fashion show and will cater the hors d' oeuvres. There will be a no host bar."

After an exciting opening number performed and choreographed by Shelly Snook, a Bullocks model and daughter of Jeanne Snook, past president of the Welcome Wagon, models will dance and glide down the runway

Roxanne Tice is the fashion co-ordinator for the Bullocks La Habra store. Tickets for the event can be purchased for $4 per person by calling Rita Heacock, 528-4336 or Jane Libert, 996-2209.

Other chairmen include; Ann Hirsch and Diane Ralstin, theater programs; Doreen Gibson, door prizes; Sharon Ayers, publicity, Helen Bullock, decorations and Jeanne Snook, model co-ordinator.

Welcome Wagon members modeling are Judy Anderson, Sharon Ayers, Eleanor Barbour, Renee Berson, Betty Britt and Karen Domen.

Also modeling are Betty Lechman, Mary Lent, Bev Lindy, Dru McAllister, Eloise Mynatt, Claudia Schmitz, Denise Vofcin and Myra Zoller.

Men modeling are Marty Berson, Dale Britt, Wes Draper, Wayne Richard, Chuck Simmons, Norv Snook and Ed Varvello.

Magazine Subscriptions At Tuffree

The Tuffree Junior High School student body will be selling magazine subscription starting October 11th. All profits go toward buying needed equipment for Tuffree school.

The student body last year purchased the following items: washer and dryer for physical education department, 16 millimeter projector, fencing for bike racks, curtains for the stage, lighting fixture for the stage, pop corn machine, safety pads for basketball poles, safety pads for the high jump and three educational assemblies for students.

All students, staff and the Tuffree PTA will take part in this magazine sales for the school. They will have the different magazine subscriptions available for the public.

Lucy Keele Speech Group

A team of debaters from Great Britain will be guests at Cal State Fullerton in late November and will engage in a public debate with a team from the university, according to Dr. Lucy M. Keele, associate profesor of speech communication and director of forensics.

Dr. Keele of Placentia is first vice president of the Western Speech Communication Association, a 12-state regional grouping which is part of the national organization. She will assume the presidency of the group later this year.

Contest Winner

In a week that proved difficult to guess the winners Jerry Thimgan, 19852 Ravenna, Yorba Linda, survived two tie games and upsets in the pro ranks to pick 16 winners and nab the prize in the third weekly "GRIDIRON GUESSES" contest. Tie games between Western and Lowell and UCLA-Ohio State and Fullerton College's loss to Golden State tripped many of the guessers. Jerry can claim his prize by picking up his winning entry at the STAR office, 4897 Main Street and bringing it to the Salon of Magic Fingers, 17514 Yorba Linda Blvd., Yorba Linda.

BIG OAKS LITTLE ACORNS

Squirrels are responsible for planting many trees, the National Wildlife Federation says. After they bury nuts, they often don't dig up all of them. As a result, the nuts sprout in the spring and become trees.

Colson Film Shown Sun.

"The New Chuck Colson" a film describing what really happened to the White House Hatchet man will be shown at Faith Baptist Church, 17345 Yorba Linda Blvd. Yorba Linda, on October 10, at 6 p.m.

Charles W. Colson, described by Time Magazine as "Tough, wily, nasty and tenaciously loyal to Richard Nixon," at the peak of a brilliant law career became one of the President's closest confidants.

In December of 1973, in the middle of the Watergate Scandal, the headline "Colson Makes Decision for Christ" jarred Washington. Many people suspected a gimmick, while most knew him as "Nixon's Hatchet Man" just laughed.

Then came his surprising plea of "guilty" followed by long months in federal prison. It soon became apparent that something real had happened to Chuck Colson. The cool calculating "Tough Guy" was different.

The film makes no attempt to stage or dramatize events nor does it attempt to justify what happened. In a straightforward manner it describes what made Charles W. Colson a new man.

The nursery will be open for small children, and the public is cordially invited to attend.

COMMUNITY CALENDAR - If your club has regular or special events to be included in the calendar please call Marianne Hodgkins at 524-2426.

Johnsons Married 50 Years

Mr. and Mrs. Harry Johnson celebrated their 50th wedding anniversary with a reception held in the home of their daughter and son in law, Wanda and Lee Wakefield of Yorba Linda.

The Johnson's were married September 9, 1926 in Fayetteville, Arkansas and moved to California in 1933. They now reside in Bellflower.

Special out-of-town guest included Fred Johnson from Fallon, Nevada and Mr. and Mrs. G.S. Edwards, sister, and Orlean Horstmeyer, sister, of San Francisco.

Christian Women

A gift wrap demonstration by Sharon Bailey and a vocal music program by June Hunt will feature the monthly luncheon meeting of the Yorba Linda Placentia Christian Womens Club on October 11. The 11:45 a.m. meeting will be at the Alta Vista Country Club, Placentia.

Luncheon reservations are necessary by 12 noon on October 7. Call 524-6269 or 993-4852. Child care will be available at Yorba Linda Friends Church, 5211 Lakeview, Yorba Linda.

Cities' Land Use Topic for AAUW

"Your City's Land Use - Past, Present and Future" will be the topic of a panel discussion at the October 7 open meeting of the Placentia-Yorba Linda Branch of the Amercan Association of University Women. The meeting will begin at 7:45 p.m. in the Placentia Linda Community Hospital meeting room.

Appearing on the panel will be Brea Mayor Carol Weddle, Placentia Councilman William Rashford and Yorba Linda Councilman Irwin Fried. Elaine Rowen, program chairman, will serve as moderator.

Issues to be raised include major sources of revenue to be used to provide municipal services; plans with regard to density in residential areas; plans to arrive at a balanced tax base; methods for solving problems with neighboring municipalities; plans for cooperative sharing of municipal services to cut costs; the future in terms of ultimate population and the ability to provide services. A question and answer session will follow the discussion.

Frances Boveia, 528-0862, is branch president; Sharon Stewart, 524-6218, is membership vice president.

Ep Lambda Makes Plans

Mrs. Billie McCauley, program director, Gordon Lane Convalescent Hospital, Fullerton, was a guest at the September 21 social meeting of Epsilon Lambda Chapter, Epsilon Sigma Alpha International, at the Rowland Heights home of Mrs. Robert Lowther.

Mrs. McCauley gave chapter members a moving insight into the lives and needs of convalescent patients.

Mrs. Gene Sanders was hostess at the October 5 business meeting with Mrs. Richard Robertson as co-hostess.

Agenda items included plans for a garage sale October 15 and 16, from 9 a.m. to 4 p.m., at 1493 Rolling Hills Drive, Fullerton, since the rummage sale scheduled September 11 was cancelled due to rain.

All proceeds from the sale of furniture, clothing and miscellaneous household items will be used to support the chapter's philanthropic projects.

Other items to be discussed include the chapter's planned progressive dinner October 9, which will culminate in a "Sock Hop" at Mrs. Richard Pasternak's home in Placentia. Members and guests will be attired in 1950's style.

The October 19 chapter social will be held at 8 p.m. at Mrs. John Gerhart's home in Fullerton, with Mrs. Ray Cranston, Yorba Linda, as co-hostess.

Kiwi Club

The Anaheim Chapter of the Kiwi Club will meet for luncheon at the Plank House Restaurant, Cypress, on Saturday, October 9 at 11:30 a.m. Mrs. Joseph Pasquinelli is in charge of arrangements. Assisting her will be Mrs. Richard L. Smithwa.

The president, Mrs. Frank Zimmerman will call the meeting to order. Business will include a report from Mrs. Larry O'Toole regarding the Rummage, Arts and Crafts sale.

She will also report regarding the donation given to the Performing Arts Center, Cypress College, for the club's name to be inscribed on a seat in the theater, also a plaque in the lobby.

The Kiwi Club is composed of former American Airline Flight Attendants. Anyone interested in joining may call the Membership Chairman, Mrs. J. A. Williams, Placentia, Phone: 524-8244.

Fairmont PTA

Fairmont Elementary School will be holding its annual "Back-to-School Night" for parents, Tuesday, October 12.

The evening's program will be at varying times for the different grade levels. A notice will come home with children, verifying these times.

Teachers will present their planned programs for the school year, and answer any questions on class curriculum. There will also be a chance for parents to sign up for individual conferences.

This is PARENTS "Back-to-School Night", and children are not to come on this evening.

Thankoffering Planned

The Redeemer Lutheran Church Women of Placentia recently announced their annual Thankoffering Service planned for Sunday, October 10th at both the 8 a.m. and 10:30 a.m. worship.

A special program titled "Sing to the Lord A New Song" will feature dedication of thankoffering boxes as well as layettes, blankets, clothing and soap to be donated to Lutheran World Relief. Collection of these items have been devotedly pursued by members of the RLCW Circles as well as the entire Redeemer congregation, stated Mrs. Richard Eklund, stewardship secretary.

Lutheran World Relief assists those less fortunate in times of need by supplying people with clothing, foodstuffs and the necessities of life. One blanket can do many things, warm a family during the night, insulate the hut roof during the hot, sunny day, be used as room dividers, a sun shade and in many other ways.

We think little of throwing away small pieces of soap in our own home. In hunger spots of the world, where people have low resistance to disease, soap can mean the difference between life and death. In some parts of India one bar of soap costs two-thirds of a day's wage. Forced to choose between soap and food, people go without soap. Our discards of clothing, soap, etc, can mean so much to the less fortunate of the world, it was pointed out.

THANKOFFERINGS will be accepted at the Redeemer Lutheran Church, Placentia, at special services Sunday, October 10. Collected will be Thankoffering money boxes as well as blankets, soap, clothing and layettes to be used to assist needy peoples of the world through Lutheran World Relief. Shown are Kathie Eklund, Judy Peterson and Esther Olson.

Glenknoll PTA

Tuesday, September 28th, was "Back to School Night" for parents of the students at Glenknoll School in Yorba Linda.

Before visiting their children's classrooms, parents attended the PTA's first general meeting of the year during which time new members of the Board were introduced by PTA President Marya Kalafa.

Nick Siokos, Glenknoll principal, welcomed parents and spoke of aims and goals for the coming year. During the classroom visits, parents met the teachers and learned of the curriculum and materials to be used in the school year.

The event also included a Book Fair which was held in the multi-purpose room.

BY Jr. High VD Program

Parents of Bernardo Yorba Junior High students are invited October 7, 7:30 to 8:30 p.m. Science Room #504 to view a 25 minute film "A Million Teenagers" and a 15 minute film loop on veneral disease that will be used in the classroom.

Miss Hunter, Mr. Jahn and Mr. Pillfas, teachers at Yorba will answer questions, provide copies of booklet used, "Facts You Should Know About VD But Probably Don't," put out by Metropolitan Life.

The teachers notes to be used in the class room will also be provided for the parents to view. All materials used are Placentia Unified School District approved.

GS Car Wash

Van Buren School Junior Girl Scout Troop 769 will hold a car wash to raise money for troop activities, including a snow weekend this winter.

Added attraction will be a boutique and plant sale, Saturday, October 9 from 9:30 a.m. to 2:30 p.m. at Howard's Chevron Station, 17511 Yorba Linda Blvd., Yorba Linda, corner of Valley View. Cost is 75 cents for cars and $1 for trucks and vans.

Card Parties

Christmas Card Coffees for St. Jude Hospital Guild will be held today (Wednesday) from 10 a.m. to 4 p.m. at 1037 Rolling Hills #45, Fullerton; October 7, from 11 a.m. to 4 p.m. at 4208 Candleberry, Seal Beach and October 10 from 2 to 4 p.m. at 417 W. Wilshire, Fullerton.

FASHION SHOW--Lael Rozsypal models one of the chic ensembles which will be included in the Beta Sigma Phi sorority Fashion Show scheduled for Saturday, October 16.

Sorority Sets Fashion Show

Colorful flowers in wicker baskets will adorn the tables for "A Rainbow of Fashion"...a luncheon and fashion show presented by members of Xi Theta Psi chapter of Beta Sigma Phi sorority.

The Airporter Inn will be the setting for the affair which will take place on Saturday, October 16 beginning with a social hour at 11:30 a.m. The luncheon will be served at noon followed by the fashion showing. The theme of the day will be carried out in both the hostess gowns and the table decorations.

Mrs. Robert Buck, Anaheim, will be commentator for the showing of new Fall fashions from area merchants including: The Fig Leaf, The Toggery, Patricia Hunters, Gene's, and the Little Folks Shop.

Mrs. Robert Glomboski, Placentia, chairman of the event has announced her committees as follows: Co-chairman, Mrs. Lou Rozsypal; tickets, Mrs. John Harmon; decorations, Mrs. Charles Lovell; programs, Mrs. Grace Clayton; and publicity, Mrs. Lou Rozsypal. Local merchants have been very generous in donating many lovely items for door prizes.

PTA Fashion Show

On Thursday, October 7th, the Yorba Linda Jr. High School PTA and friends, have been invited to a Fall Fashion Show to be held at Wineman's on Yorba Linda Blvd.

A Continental Breakfast will be served at 8:45 a.m., followed by the fashion show at 9:15 to 10 a.m. Guests of all ages will be shown the newest in fashions and colors along with fashion tips.

Admission for the show will be $1 per person. The proceeds will go to the Jr. High students for their yearbook and publication of the school paper.

For your convenience, parking will be in the store's parking lot.

RAYDRA INTERIORS
"Peggy's Pointers"

If you plan to put a sleep sofa in your family room, it's the wrong place to skimp on quality. This piece of furniture will get more wear and tear than any other in your home.

Construction of furniture is so important. Ask about how your sofa is made--is the frame of a good quality hardwood? Is it glued and doweled wood, or is it put together with nails and staples. What about the spring unit? Is it tied with good quality twine, or is it held together with wire and hog clips? Ask these questions, because at todays prices, spending a few dollars more to get a well-constructed sleep sofa will mean many extra years in wear and tear, and save you even more money down the road. Ask too, about the mattress--is it sturdy? Do you want your houseguest to feel the spring unit? If it's not a good mattress, he will!

Last, choose fabric that will stand up to wear and to cleaning. Ask your decorator or salesperson about the quality of the fabric.

Catholics Form Commission

A new Diocese of Orange Religious Education Commission has been established by the Most Reverend William R. Johnson, Bishop of Orange. It is among the first committees formed by the Bishop since the creation of the new Roman Catholic Diocese of Orange.

Composed of selected laymen and lay women, priests and religious from throughout Orange County, the commission will seek ways to unify the religious education programs throughout the diocese.

Committees and subcommittees have been established within the commission. Work is expected to begin immediately as the body plans guidelines for religious programs in all of the diocese 42 parishes by September of 1977.

According to Brother Dominic Berardelli, Superintendent of Schools of the Diocese, "we are delighted with the enthusiastic response and interest of the commission members as they begin this important task of preparing for a well balanced and well planned religious education program for our new diocese. If their present enthusiasm is any sign of the product which the commission will produce, we will certainly have an excellent program."

Commission members include Kathy Acton, St. Joseph Church, Placentia; Sr. Henrietta, Orange; Rev. Bruce Lavery, Paul Leiniger, Ed Lekawa, and Sr. Celine Leydon, all from St. Anthony Claret Church, Anaheim.

New Unit Aids Blood Program

Donating blood will be more convenient in Orange County now that the new Red Cross self-contained mobil donor facility is available on a regular basis.

"The new unit, the first of its kind to be used in Southern California, can accommodate three donors at a time and is designed primarily for visits to smaller firms and organizations that can provide donors to meet the quota of 45 units," said Dr. Frank Kendrick, Red Cross blood program chairman for Orange County.

"Red Cross hopes to reach an additional 10,000 blood donors annually with the new unit," Dr. Kendrick said, "Blood needs in the Los Angeles-Orange Counties area are now around 350,000 units a year and going up."

The donor facility at the Chapter headquarters, 601 N. Golden Circle Dr., Santa Ana is open Monday through Friday from 8:30 a.m. to 3:30 p.m. Saturday hours are 10 a.m. to 2:30 p.m.

On the first and third Mondays of each month, donor hours at the center are extended to 8 p.m.

Appointments may be made in advance for the bloodmobiles open to the public and the headquarters facility

Artist Demonstrates Water Colors Techniques

Mrs. Bonnie Morehouse, a professional in all art media, will be introduced by the new Round Table program chairman at a meeting of the organization.

Mrs. Morehouse will be demonstrating techniques using water colors. The scene she will produce will be awarded to a member or guest present at the October 6, opening meeting of the Placentia Round Table.

Currently, Mrs. Morehouse, is active at painting local historical sights and rural scenes around the Yorba Linda community. She is a graduate of UCLA and has studied art in Vienna, Austria. She has worked with artists in New England as well as in California. More recently, she has organized her own Orange County Water Color Society and has the members painting at scenic locations throughout the county.

Mrs. Morehouse has exhibited in local and national competition and is preparing for her own art show at the Pomona Savings and Loan.

Ruby Drive Health Day

A Community Health Day will be held at Ruby Drive Elementary School, 601 Ruby Dr., Placentia, from 4 to 8 p.m. Tuesday, Oct. 12.

Sponsored by Ruby Drive's Early Childhood Education program, the health day is designed to help residents of the community learn about possible health problems and agencies available to give information and assistance, explained Margaret Williamson, head of the district health services.

Organizations which will be represented include the Orange County Lung Association giving lung capacity tests; American Heart Association taking blood pressure readings; and American Cancer Society, which will show a film and give demonstrations on self breast examinations.

Others at the Community Health Day will be the Orange County Mental Health Association, which will have pamphlets outlining services and agencies, and the Alcoholism Council of Orange County with information on teenage alcoholism.

The health day is open to everyone in the community.

DON DRYSDALE

Don Drysdale was the winningest pitcher in Los Angeles Dodgers history with 209 victories. He pitched in the most games, 518, of which he started 465. Drysdale had 2,486 strikeouts, 167 complete games, pitched 3,432 innings and had 44 shutouts.

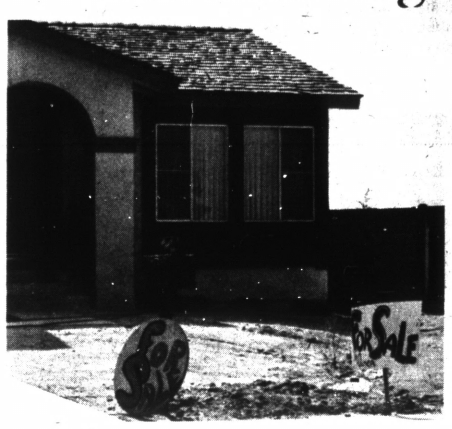
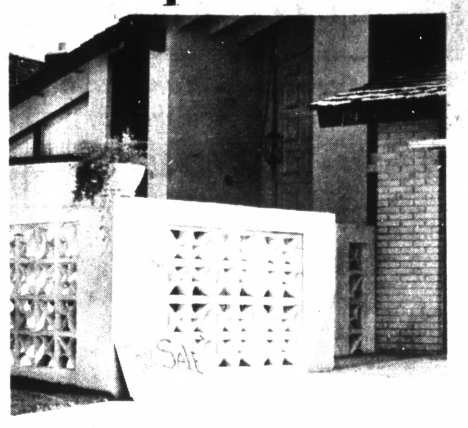
'For Sale' Signs Plague S and S Development





Homes By Railroad Tracks

[Continued from Page 1]

window on the second floor that you can't get out of," he point out.

Dr. Margolias posed strong questions, expressing concern for problems of noise and vibrations.

Margolias asking about the noise factor in case windows were left open, learned also of the double windows that possibly may be sealed. It was pointed out by staff that S&S homes have double sliding windows next to the railroad tracks. Residents, there, however, have complained that the double panes add to the noise as both panes rattle when trains go by.

Sound expert, Gordon Bricken, of Santa Ana explained that vibrations are produced from very low frequencies, almost inaudible energy from the train.

"The structure's response is very complicated. There is no original analysis that has ever been done any place on this kind of problem," Bricken told commissioners.

"It's a very complicated accoustical structural problem and we had to contract with a structural engineer for additional consultations on this matter and he confirmed that there are so many unknowns in a structure as complicated as this."....

Bricken said that such information is not available any place in the country.

Commissioners Ronald Askew and William Beggerly spoke strongly for the project with Beggerly expressing a wish not to see the property lie vacant.

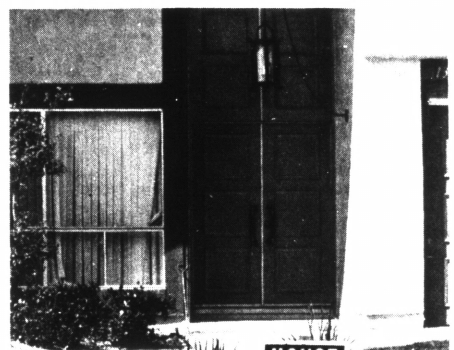
Dr. Margolias stated that he is unalterably opposed to the development as presented and added "it may very well be that these properties should never be developed into R-3 properties" (multiple residential units).

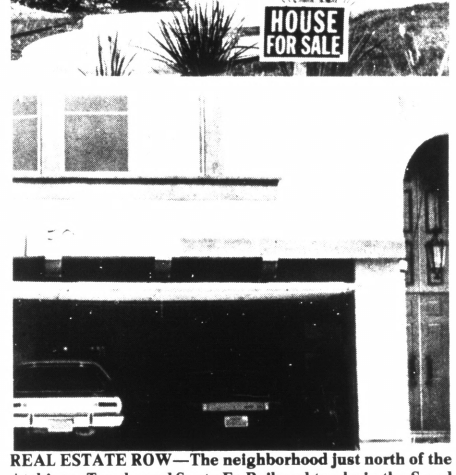
"I believe that everybody has worked very hard to try to solve the many problems and the solutions recommended are probably the best ones that can be presented for the price, but it is very clear in the report that the noise problem is not solved."

Arnold Hamala, the city's director of planning stated that no one knows how to mitigate the vibration problems. "We are in an area where there isn't the expertise on staff or available to us at county or anywhere else. The issue seems to be whether the property can be developed for housing."

The staff recommended approval of the project which now proceeds to city council level.

Sowinski expressed his views that the area would be dangerous for children and would cause unnatural tenant vacancy rates.





REAL ESTATE ROW—The neighborhood just north of the Atchison, Topeka and Santa Fe Railroad tracks in the S and S [Shapell] homes in Placentia, was flourishing this week with For Sale signs. Out of 20 of the $80,000 to $100,000 homes, 11 had placed For Sale signs in their front yards. Owners of the homes have complained bitterly of the noise and vibrations from the railroad nearby and apparently have not found relief or solutions to their problems. Placentia, however, is in the process of planning two other large residential developments by the railroad tracks.

Heritage Days Festival Parade

available along the parade route and at Kraemer Park following the procession.

The popular Bo Donaldson-Heywoods group, leading this year's Bicentennial-50th Birthday of the city celebration parade, has been appearing at Knotts Berry Farm nearby.

The seven talented young men making up the group play a total of 32 musical instruments between them and are led by keyboard playing Bo Donaldson. Also expected to be in Placentia is Mrs. Beatrice Donaldson, mother of Bo and executive manager of the group.

Bo Donaldson and the Heywoods have made many appearances on television including the Mike Douglas Show, Dinah!, American Bandstand, Merv Griffin Show, Wonderama, Your Hit Parade, and Dick Clark shows.

The lead vocalists of the group are Mike Gibbons and Rick Jaswick, well known to teenagers. Others members include David Krock, bass; Gary Coveyou, flute (he is married to Bo Donaldson's sister); Scott Baker, guitar; and Nicky Brunetti, drums.

The group has had several hit records selling into the millions and has been named Number One New Vocal Group, Number Two Top New Group, and Number Two Top New Male Group. They have recently signed a long-term recording contract with Capitol Records.

MRS. BEATRICE DONALDSON, mother of Bo Donaldson and executive director of the Heywoods, shows some of her Bea jewelry which admirers and friends have given her as presents. The ornate bees sport diamonds and rubies. Mrs. Donaldson is the popular coordinator of the young musicians.

Juniors Open Season

Marty Rogers, president of the Placentia Junior Round Table, recently presided over the first fall meeting of the local club.

Her theme for the coming year is "Juniors Have the Spirit of Christmas All Through the Year". October will mark the 24th Birthday of the Junior Round Table which has been active in local philanthropic affairs since 1952 and is affiliated with Orange District, California Federation of Women's Clubs, Junior Membership. Orange District officers will be special guests at the October meeting.

Several of the Junior members went to the Area D Confernece which was held in Yucaipa. Area D consists of sixty seven junior clubs in four districts - San Bernardino, Orange, La Anza and San Diego. Those attending from Placentia were: Marty Rogers, president, Cecilia Brown, first vice president, Cyndy Landwehr, Mary Dunham, Linda Dawson, Kathryn Griffith, Barbara Reed, Marguerite Smith, Sue Vaughan, Linda Ziegler and Pam Dear, provisional. Gracie Diaz, Co-ordinator, also attended.

Valencia Eyes Cross-Country

BY VALENCIA STAFF

As the 1975 cross-country season came to an end, the future of Valencia looked bright for 1976. The reason was that we would only lose two members of our League Championship team, (1) Jim Roberts and (2) Francisco Flores - two runners which could easily be replaced.

We have had our worst loss of personnel since 1971 when we lost every member of the team with the exception of Bob Tillman, our fourth man on that year's team.

Garland Jackson, a starter as a sophomore and our fourth best runner, moved to China. Jose Garivay, Emilio Alvares, two top prospects dropped out of school. Robert Najera, Salvador Guerra, Jack Yin, and Jose Sotelo, most of whom were J.V.'s, because they could not beat our young sophomores. Finally, one of our top seven members of 1975, Carlos Venegas, got hurt while doing karate during the summer. I hope I can get him o.k. by the end of the 1976 season.

This doesn't dim our hopes to win the Orange League, it only makes it tougher. With the addition of La Habra, third in the 3A CIF Finals, and always tough El Dorado, it will certainly be an interesting year. Remember too that Valencia has been moved to 3A in the CIF -- and that means tougher competition as well as a challenge.

Now, looking at the bright side of our program let's look at our returnees. JOEY GOMEZ: Our number one man last year, All-CIF, All-Orange County (two years), All-Orange League (two years) and Valencia's fourth runner of All-Time with a 9:40. His eleven miles in the one hour run, plus his 4:27 mile, make him a threat to be the league champion. If Joey wants to he can run 9:20 at U.C.I. and be one of the top five runners in CIF Finals. He can do this if he runs like he did when he was a Freshman. Joey is one of our tri-captains.

RICK CISNEROS: Our number two man last year, All-CIF (two years), All-Orange County (two years), All-Orange League (two years) and the seventh fastest runner of All Time at Valencia with a 9:42. He has run 9:38 on the track, a 4:28 mile and 10 1/2 miles in the one hour run. He has endurance as well as speed. He finished eleventh in CIF Finals last year and his desire and competitiveness make Rick a threat to be the league champion and even a CIF champion. Rick is one of our tri-captains.

JIM SILVA: Our fifth man last year and our third tri-captain. Jim has been an All-Orange League runner (two years) and missed being on the All-CIF team by one spot in 1975. He is one of the members that gives Valencia the 1-2-3 punch which you need to be a League Champion. His 9:52 two mile and his 10 3/4 miles in the one hour run give Jim the endurance and the tools necessary to run at least 9:35. This plus his CIF expertise gives him a chance to finish in the top 15 runners at the CIF finals in the 1976 season.

LUIS RIVERA: A member of Valencia's Varsity team as a ninth grader, All-Orange County, All-Orange League and a member of the Elite one hour run championship team. His 10:00 minute two miles on the track, his 4:40 mile and his 10 3/4 miles in the one hour run gives Luis the tools necessary for at least a 9:30 on our course. He is one of the fiercest competitors on the team. Luis will be one of Valencia's greatest runners by the time he graduates.

LEONARDO SANDOVAL: The cross-country league champion in the Sophomore Division last year in 10:34. He has improved to a 10:06 in track and is one of the members of the team which set an All-County twenty-four hour relay record. He was a member of the Elite One Hour Run team with 10 3/4 miles. Leonardo will be one of Valencia's top five runners on this year's team. He is young, but should run at least 9:40 on our course.

People to Watch For

MIKE (GIANT KILLER) HOLLER: Second in the Sophomore race last year and League Champion in the 880 in Track at 2:03. He has worked the hardest of all members of the 1976 team during the summer and I expect him to make the top 7 of the 1976 team. 9:45 is an easy target and that's what I hope he runs.

TOM MIREK: A member of the Sophomore Championship Team and one of the most improved runners on our team. He has worked the second hardest on our team. He could easily surprise a lot of people.

FLAVIO FLORES: A member of the Sophomore team last year. He ran 10:34 last year but he has worked hard all summer and has improved. He is a tough competitor and could be in the top seven. I expect him to run 9:50 in Cross Country.

JOSE SANDOVAL: A ninth grade record smasher at Kraemer, he has a nice chance to make the team as a freshman, maybe as the fifth or sixth man. He is a Front Runner and a hard worker. If he wants to, he can be the greatest runner of all-time at Valencia High School.

MAX GUZMAN: He has done a fine job during the summer. He will be the League Champion in the Freshman Division. And, who knows, might even make the Varsity Team. He was the number two runner at Kraemer last year.

VENDING MACHINES

Placentia Unified School District Trustees have granted a five-cent increase in school vending machine prices for cup drinks (up to 20c), ice cream novelties (20-25c), carton juice (20c) an packaged pastry (35c). They approved advertising for new vendors if R. J. Bradberry breaks their current contract.

ORDINANCE NO. 76-1-120

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF PLACENTIA ADDING SECTION 23.76.085 OF THE PLACENTIA MUNICIPAL CODE PERTAINING TO THE PROHIBITION OF THE USE OF LOCOMOTIVE WHISTLES.

(1) The City Council of the City of Placentia does hereby ordain that Section 23.76.085 shall be added to the Municipal Code to read in full as follows:
23.76.085- **USE OF LOCOMOTIVE WHISTLE**
(A)**Generally.** The use of locomotive bell, air siren, steam/or air whistle, within the City of Placentia at all gate protected grade crossings shall be prohibited.
[B] **Exception.** Any locomotive engineer shall be permitted to use his bell, air siren, steam/or air whistle, if, in his opinion, it is necessary to avert an immediate threat to life or property.
(2) **EMERGENCY EXISTS**
This ordinance shall take effect as an emergency measure immediately upon its adoption by the City Council. The basis for said emergency is that new housing development has taken place on property adjacent to the A T & S F Mainline and residents are now being subjected to adverse, unnecessary and annoying noise levels to the detriment of their health and welfare. **PASSED AND ADOPTED THIS** 21st **DAY OF** September, 1976.

ORDINANCE NO. 76-0-117

AN ORDINANCE OF THE CITY OF PLACENTIA AMENDING CHAPTER 13 AND 23 OF THE PLACENTIA MUNICIPAL CODE RELATING TO ADMINISTRATIVE AUTHORITY OF THE CITY ENGINEER AND COMMUNITY DEVELOPMENT DIRECTOR.

The City Council of the City of Placentia does hereby ordain as follows:
(1) Section 13.52.010 is hereby revised to read in full as follows:
13.52.010-ESTABLISHMENT. The City Engineer shall appropriately sign or mark any place where it has been determined by a Resolution of the City Council that parking should be prohibited or restricted to eliminate dangerous traffic hazards, and when such places are so signed or marked, no person shall stop, stand or park a vehicle in any such places.

EXCEPTION: The City Engineer is authorized to place signs or markings along any curbside prohibiting parking or stopping for sight distance safety, adjacent to alleys, driveways or marked pedestrian crosswalks without City Council action.
(2) Section 23.75.070 is hereby revised to read in full as follows:
23.75.070-**REVISIONS AND AMENDMENTS.** Minor alterations to approved plans may be approved by the Community Development Director when construction according to the approved plans is not feasible and when the deviation from approved plans will, in the opinion of the Community Development Director, fulfill the objectives of the initial approval. Revisions or amendments of an approved site plan of a more significant nature shall be considered puruaunt to the procedures set forth in this chapter for initial site development approval.

BREASTSTROKER Wayne Dutton brought home some hardware from the STOP swim meet at Esperanza. The Troy freshman swims with STOP.

CHECKING the competition as she makes her turn is Gail Durham who swims for STOP Blue at Valencia.

WAITING HIS TURN - Jeff Paulson holds his event card and concentrates on his next race at STOP's back-to-school meet at Esperanza High. The young swimmer was one of many who enjoyed the big day.

El Camino Real Ties One

BY RANDY LINT

On October 1 at the Gomez Center in Placentia, the El Camino Real High School students challenged the joined forces of the Casa Placentia, Alpha Center and El Camino Real staff in a flag football game.

Casa Placentia and Alpha Center are community organizations giving support to school activities and many other community services.

The game struggled through the first half with only one score by Tony Aguilar who caught a 45-yard pass for the C.P., A.C. and E.C.R.H.S. team. The conversion attempt for the extra point failed.

El Camino Real students scored during the second half with a 20-yard pass caught by Bill Wales. Again the try for the point-after-touchdown was unsuccessful.

There was only one injury during the game. Mike Ledbetter, a teacher at El Camino Real High School hit the chain link fence, received a gash above his left eye which took 20 stitches to close. At the end of regulation time the score was 6-6. During the sudden-death playoff, no score was made.

The final score of the game was a 6-6 tie.

The price now is $342,000
to keep each employee at work for you

It's breathtaking even in these days of big figures in the news. Now $342,000, or more than a third of million dollars, is required to keep each one of our skilled men and women at work to bring you dependable, 24-hour-a-day water service.

That's a lot of money — and is $17,000 more than was necessary just over a year ago. The total investment for all of our employees has reached $114,540,000. This pays for thousands of miles of underground distribution mains, like that shown being installed above. These make up about 50% of our total plant which also includes electric and gas pumps, huge reservoirs, computers, meters, fire hydrants, trucks and hundreds of other items.

Doing the job quicker and at the least cost is the goal of our skilled water works professionals; this is their weapon in fighting inflation, the drought and rising energy costs. So our 24-hour-a-day goal is unchanging, keep on working to bring you the best water service at the lowest possible costs.

Placentia Library Celebrates Heritage With George Key

The Placentia Library District and Friends of the Library will present special events during Placentia's 12th annual Heritage Days Festival, October 9 through the 29th.

Local Historian George Key and artifacts from his collection will be in the spotlight on display at the library building from Monday, October 11 through October 29.

On Wednesday, October 13, Key will preside at the exhibit from 3 to 5 p.m to present further insight into Placentia's Golden Years, 1926-76.

Friends of the Library also will present Key in a slide-talk program on Monday, October 11 at 7:30 p.m.

Key is from a pioneer family and will include in his slide presentation information beginning with the Portola Expedition in 1769. The talk will progress into the 20th century with the coming of the railroad, schools, churches, the library and the commercial orange trade.

An informal hour will follow the presentation.

Trustees of the Library also will be participating in the Heritage Parade at 11 a.m. Saturday, October 9. Trustees will be transported in a bright blue 1936 Ford cabrolet Classic Car with a rumble seat.

The library is celebrating its 57th anniversary this year along with the city's 50th birthday.

Co-Ed Volleyball Event

The second annual Co-Ed Volleyball Tournament, in conjunction with the Placentia Heritage Days Festival, will be held this year on Monday, October 11, starting at 7 p.m.

Location for the tournament will be the El Dorado High School Gymnasium.

The event is open to men and women 18 years of age and over. Entry fee is $3 a team. Team rosters are limited to eight people, four men and four women.

Completed rosters and entry fees will be accepted at the Placentia Recreation Department, 117 North Main Street. Deadline for entries is Friday, October 8 at 5 p.m.

Trophies will be given to the members of the first place team.

Further information is available at 993-8232.

Three-Man Basketball Tourney

The second annual three-man basketball tournament is scheduled during the Placentia Heritage Days Festival for Wednesday, October 13 at 6:30 p.m. at the Tynes Gym in Tuffree Park.

Entries for the tournament are being accepted at the Placentia Recreation Department Office, 117 North Main Street. Team rosters will be limited to five players.

The entry fee for the tournament will be $2 a team. The deadline for rosters and entry fees is Monday, October 11 at 5 p.m. For further information call 993-8232.

Gwosdof Supports Privette

Peter Gwosdof of Placentia has been named Finance Chairman of the Committee for the Election of Tom Privette.

Gwosdof, a longtime county resident, will coordinate all fund-raising activities for Privette, a candidate for judge of the North Orange County Municipal Court.

Seniors Going On A Hayride

Members of the Placentia Senior Citizens Club will be riding in the Placentia Heritage Days Festival parade Saturday on a haywagon.

The hayride will feature the seniors with the women wearing long pioneer type dresses and straw hats or bonnets. The men will be dressed in overalls and straw hats.

Walter Gabel is in charge of the parade entry.

SIGN-IN-TIME -- Ready to check in their entries for the juried art show are Placentia Art Association president Belle Donnici and past-president Beverly Lunger. Judge for the event will be Manuel DeLeon. The entries will be judged Saturday morning, Oct. 16, and on view from noon till 4 p.m. The city will purchase three winners.

Wagner School Schedules Hamburger Fry

A hamburger fry will be neld on Tuesday, October 12, from 4:30 to 7 p.m. at Charles Wagner Elementary School.

The menu will include hamburgers, potato salad, baked beans and coffee for $1. Soft drinks and dessert will be available also.

The event will be sponsored by the PTA. The chairman is Barbara Meistad and the Co-Chairman is Sandi Allec.

We would like to invite everyone to come and enjoy the good food, the PTA Welcomes.

Inspections Moratorium

By action of the city council at its regular meeting, all action on Residential Records Reports processing was immediately stopped, the citys building department reports.

Effective 8 a.m. September 22, no new applications received through September 21, 1976, the normal report process will be completed.

Charles Post III, City Attorney, is preparing an ordinance declaring the 120 day moratorium.

BICENTENNIAL MUSICAL will be given by the Ministerial Association of Placentia on Sunday, October 10 at Valencia High School Auditorium. The program will begin at 7:30 p.m. Here going over the score for the musical are John Tebay, who has been assisting with the choral music and instrumentalist Gordon Brushwyler.

Musical To Be Presented

An original and unique show, "I Love America" will be presented during Placentia Heritage week by the Ministerial Association of Placentia.

The Bicentennial celebration musical will be given Sunday evening, October 10 in the Valencia High School Auditorium. Curtain time is 7:30 p.m.

Included in the musical presentation will be singing and instrumental groups from community churches and musical organizations both secular and sacred songs.

Also on the program will be three five-minute talks including one on the Biblical Importance of Government by Rev. David Brostrum, pastor of the Church in the Marketplace. Also the Biblical Responsibility of Government Leaders will be discussed by Rev. Fred West, associate pastor of Calvary Church. The third talk by Rev. Irwin Walz, pastor of Redeemer Lutheran Church, will be themed the Biblical Responsibility of Citizens.

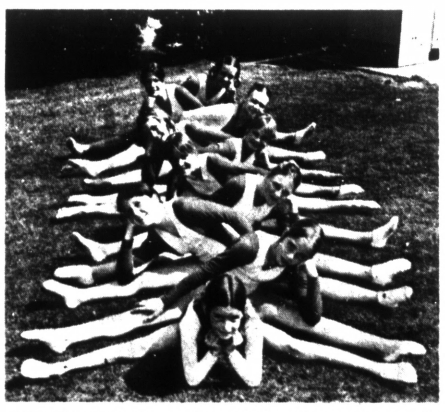
"I Love America" written by John Peterson and Don Wyrtzen will include a 50-voice chorale of singers from several churches and a 25-piece orchestra of musicians from the Placentia Unified School District.

The chorale and orchestra will be under the direction of William Foster, music coordinator for PUSD.

In addition there will be a community sing time of old fashioned American favorite folk songs and hymns.

The public is invited and encouraged to participate, the association states.

FESTIVAL LEADERS - Putting up their signs for the festival are Allan Ford, treasurer; Dick Samp, president; and Walt Pinney, Festival co-ordinator. Samp moved to Lake Havasu City before the big event he has been associated with for many years.



THE PLACENTIA MAT RATS will be entertaining Placentia Heritage Day parade goers Saturday when the big annual procession lines up for an 11 a.m. march. The Mat Rats were popular entries last year.

Wagner Holds Teacher Luncheon

Charles Wagner Elementary School held its annual teachers luncheon with special guest Superintendent of Schools of the Placentia Unified School District John Tynes present. The PTA Board for this year also attended. President Gail Sanneman presided.

Kenneth Lorge the principal introduced the faculty at the annual event.

Anything Goes Got Up and Went

An expansive program of Almost Anything Goes Bicentennial Olympics will not be included in the 12th annual Heritage Days Festival officials said this week, due to lack of community response for the series of events.

Specially designed patches purchased for the Olympics will be on sale, however, for $2 each on a first come basis, the committee reports.

Patches may be purchased by contacting one of the committee members: Frank Freeman at 524-2324; Mary Gilbert at 528-9134; Carl Cron at 993-2791 or Deedee Snyder at 992-4007.

There is a possibility that the event will be reorganized for next year's annual festival, it was reported.

Special Parade Caravan

The historic Norwalk-based "Spirit of '76" - Bicentennial Caravan" will appear October 9th in the Placentia Heritage Days Festival Parade in celebration of the City of Placentia's "The Golden Days 1926-1976".

The "Spirit", recently back in California from a scheduled historic nationwide tour commemerating the 200th birthday of our Nation, will add a star spangled touch while appearing in the Heritage Parade.

Dedicated in mid-December 1975, the "Spirit" first touched California, covering nearly 60 cities in the State before leaving on its historical nationwide tour which began in Norwalk on June 18, 1976.

The product of a local effort which started in 1971, the "Spirit" is part of the official Bicentennial Network through the American Revolution Bicentennial Administration, Washington, D.C.

The nationwide tour was highlighted in Philadelphia by a special presentation and gift of a Liberty Bell replica by Mayor Frank Rizzo to the "Spirit's" crew members honoring their presence in that city on the Fourth of July.
